Director's Message

Welcome to our Newsletter

Welcome to our newsletter, and thank you for being part of the Maadi Public Library community. This month brings a variety of programs and activities that we hope will inspire curiosity, creativity, and connection. We've enjoyed seeing more families, students, and visitors join our sessions, and your participation truly brings the library to life. Please take a moment to explore this month's highlights and discover what's coming next. We're grateful for your support and look forward to welcoming you throughout the month.

MONTHLY SPOTLIGHT

PARTNERSHIP RECOGNITION CEREMONY

The library team participated in a recognition event honoring collaborative efforts with local government partners. This gathering highlighted ongoing initiatives supporting community development and educational programs. The ceremony strengthened relationships and opened doors for future joint projects.

CHILDREN'S CULTURAL PERFORMANCE

Students took the stage for a cultural performance showcasing music, reading, and creative expression. The event celebrated the children's achievements and encouraged confidence through public presentation. Families and staff joined to support the young performers, making the day memorable for everyone.

FEATURE ARTICLE

Holiday Craft Workshop

The library hosted a festive craft workshop for children last Saturday, sparking creativity and holiday spirit among participants.

The workshop was regular with an early-night atmosphere for children last Saturday. The workshop inspired as enthusiastic participation, and community-bonding among participants.

Children made paper snowflakes and decorated miniature tree ornaments, while children were creatively engaged in the workshop. The workshop was a great opportunity for children to express their creativity and learn new skills.

An engaging setting. “Engaging setting was a fantastic way to celebrate the season while making memories.”

“The workshop was a fantastic way to celebrate the season while making memories.”

—A local parent
